Type of contract : Full time

Work location : 6th floor, Dai Phat building, 82 Duy Tan, Cau Giay district, Hanoi.

Deadline: 31/01/2015

Salary : 700$ - 1100$

Number of vacancies : 5

Job description

We are Socicom Ltd., a Hanoi-based consulting agency, that provides executive-searching services for foreign companies who want to expand to Vietnam.

We are looking for high-potential PHP developers who want to join a Japanese ICT Group. The group has branches and offices in 4 cities of Japan, in USA (including Silicon Valley) and in South Korea.

The successful candidate will work on in-house and strategic products that would reach the global market.

The successful candidate will have opportunities to :

- Work in multi-cultural and professional environment
- Based in Hanoi but work directly with IT team based in Japan and in other countries.
- Chance to go on oversea missions.
- Receive other benefits such as health and social insurance following Vietnamese Labor Code
- Receive attractive salary package, 6-month reviews and other bonuses based on personal performance.

If you possess following conditions, please contact us ASAP :

- Knowledge of PHP, MySQL (Cake PHP)
- Able to communicate in english (especially reading and writing)
- Knowledge of API connectiosn with Social Network Systems like Facebook, Twitter

----

To apply, please send your Resume, Portfolio and Application letter (preferred in English) to ***Ms. Minh, minhnp@socicom.vn.***

In the subject of Email, please mention *JD GOU02 : PHP developer*

We will select candidates and interview on a « First come, first serve » basis. Please kindly understand that only qualified candidates will be contacted by our HR department.

Thank you.
